

Register today for FREE academic programs through the

Saturday University

These volunteer-run classes will last for 8 weeks each "semester." The first semester will begin on **Saturday, March 12, 2011.**

Each location will offer small group instruction in Math, Reading, Writing, and one specialty subject.

Please call 773.285.9600 to register your child.

The Joseph Rowntree Foundation has shown that only 14% of pupil achievement can be attributed to the quality of the school; 86% of that achievement is driven by factors outside of the school.

The Black Star Project is establishing a network of FREE Saturday University sites to help children and families expand their academic interests and discover that learning is fun.
